Chad Morris

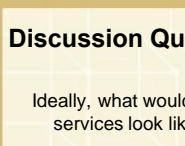

Director, Behavioral Health and Wellness Program,
University of Colorado

Dr. Chad Morris is an Associate Professor at the University of Colorado Denver Department of Psychiatry. He is the Director of the Behavioral Health and Wellness Program and coordinates the Postdoctoral Fellowship in Administration and Evaluation Psychology. He is pursuing research on community-based care models and disease management with an emphasis on wellness for persons with mental illnesses and substance abuse disorders. He is the principal investigator of multiple studies exploring the effectiveness of psychosocial and pharmacological tobacco cessation strategies for both youth and adults. Dr. Morris has been a consultant to the Colorado Division of Behavioral Health for ten years. He is a past President of the Colorado Psychological Association and a licensed psychologist.
